

PROJECT

Masterplan and internal alterations for existing church building

DESIGN SUMMARY

The aim of the church is to use the building as a focus for local outreach and to serve the community within East Oxford.

To enable this to happen the building needed to be upgraded and visually 'opened' up to the public.

Proposals include;

- new entrance foyer with ancillary accommodation
- disabled access
- additional storage
- new kitchen
- first floor offices
- new floor to create further meeting rooms.
